Finishing Strong and Continuing On!

Finishing the GNC year strong.

God has blessed Lone Star Prairie with 169 volunteers this year! Together with donors and Pray-ers, we are following the Lord to bring the gospel to 21 schools, 5 daycares as well as children at open air events, and in neighborhoods.

Would you be a Ms Rodriguez this summer?

Ms. Rodriguez lived across the street from a boy named Pete Menjares. This boy had a hard life & got into trouble. In his late teens he received Jesus & completely turned his life around; earned a PhD & is very involved in inner city education today. Ms Rodriguez prayed for him for years & one day he was speaker at a seminar she attended. She told him how she had prayed for him all these years.

Your prayers could do the same for a child in one of our GNCs. Many of our children are from troubled homes. Would you pray for the child whose card is enclosed?

Continuing on to the CYIA summer ministry & 5-Day Clubs.

We are so excited to tell you we have 11 teens who are preparing to be summer missionaries. This year the training camp will be a state wide camp & will be held in the Ft Worth area. This will be a very exciting experience for our teens. They will get to meet like-minded teens from around East Texas & sometimes these friendships become lifetime friendships. Please pray for the teens to be able to grasp everything they need to learn for summer ministry. Pray for the teachers to be able to make the materials very clear in each class.

You can see the faces of our team on the back of this page. We have some who are returning to CYIA for the 5th year, some 4th year, one 3rd year & the rest are 1st year students. Pray especially for the 1st year students. Four of the 1st year students have siblings who have been CYIA & have been to clubs with their siblings. But the other 1st year students have no 5-Day Club background. Pray for all eleven teens. You may have already received a letter from one of them. And if you want to give to any one or to CYIA in general you may use the enclosed response card for that purpose as well as your regular donation. Make a note on the card to tell us your wishes.

Many Good News Clubs give Bibles to children who also learn to use them during their clubs. Many are very interested in having their own copy of God's word.

Telling the Gospel every time we get the opportunity.

Thank You for making a difference in the Children's lives.
