

This Candy Cane

**Receive this Candy Cane from us to you,
A gift to show a Savior true.**

**Each colored bead a truth does show
The one way to Heaven that you must go.**

**The yellow-gold bead reminds us of...
Our perfect Creator's redeeming love.**

**The dark bead reminds us we are born with sin.
With out God's help, our future's grim.**

**But the red bead shows Christ's blood shed,
He's the God-man Savior now ALIVE not dead!!!**

**This clean bead reflects our prayer for you today,
May you confess your sins and say...
"Oh, God, I'm lost; save me I pray";
Then He will come inside & stay.**

**Like growing plants are GREEN as this bead,
Your food to grow is by prayer & Bible read.**

**So when you sincerely trust the Savior true,
You have victory in this life & a home in Heaven too.**

**Now shake and ring out this jingle bell,
To your friends & family this message tell.**
