New Cities to Reach

New churches are adopting new schools or daycares! There is even a school looking to adopt another school! What a blessing to work with the new *Good News Club*® teachers and see their hearts for the Lord. As teachers tell their stories, we see God's preparation for reaching the children. Pray for 7+ new groups getting started now—reaching kids for Christ.

## Overwhelmed by His Faithfulness 2018-19!

I'm...**Blessed** by 95 children who prayed for forgiveness of sin in a CEF club of some sort in our area this year!

...**Blessed** by getting to spend two weeks in training at CEF Headquarters (MO)

...**Blessed** by two new instructors in our chapter! Ruth Crow and Marie Nelson finished their training in Lone Star Prairie with us! Welcome ladies!!

...**Blessed** by the hunger children have to know God, and the commitment of CYIA.

...**Blessed** by 153 GNC volunteers faithfully reaching our kids last school year! So glad to be able to visit some!

...**Blessed** by our local committee and staff and their unity in reaching kids!

...**Blessed** to know 1735 children in our area heard the gospel this year!

## A New & Different Venue For Summer!

While teaching in a Teaching Children Effectively, Nursing Homes were mentioned as a **possible place for a club**. I got to thinking that it might be fun for Seniors in assisted living homes to have a club & invite their grandchildren. So I visited the activities director in 2 assisted living homes. One said the residence would not be able to get kids to come in the day. The other said **let's do it**. So 5 GNC teachers & I set up the schedule for a club every other week for the summer. We had 13 in attendance every time, but there were no children. We also talked to an activity director in a Group Home & the residents there were interested. So

we did the same there on a different day of the week. There were 6 ladies living there. Everyone had a good time & were **not ready for us to quit** when the summer materials were finished. So we said we could come for a Christmas Party club in December. No one is too old to hear the Gospel & be saved. 10 years ago, teens were teaching a club in a home during summer. The 87 Year old grandfather who lived in that home heard the Gospel taught by the teens & realized he had never trusted Christ as Savior. I believe we should never miss an **opportunity** to tell someone the Gospel message wherever God leads us. All of our team had a great time doing this as our summer GNC.

## Teenagers Are Making a Difference!

It all changes when you get to stand up front and teach. That can be a little scary when the kids are nearly your age. You can see our Christian Youth in Action team here with different groups of kids they taught this summer. We are so blessed to have teens join us this summer in sharing the Good News!
