FOSSILS, FOSSIL FUELS, AND THE GRAND CANYON ARE ALL VISIBLE SIGNS OF A GREAT FLOOD

To be completely covered by Flood waters (Genesis 7:19-20), the mountains before the flood must have been much lower than they are today. For God ended the Deluge by causing high mountains to rise up and deep valleys to sink down so that the Flood waters "fled" (Psalm 104:5ff). Those rushing waters carved through layers of still soft Flood-deposited sediment. The Grand Canyon certainly came from this world-wide flood or waters left over from the Flood. Today, scientists carve through layers of hard sediment to find fossils-each one proof of the Great Flood.

FOR 23

Draw and color what God made on each day.

All those dead, covered up, pressed in the mud dinosaur remains (and plants) actually turned into oil and coal. We so need these resources today to drive our cars, heat our homes, and make plastics. How wonderful of our great God do provide for us many thousands of years later.

Scriptural Basis for Creation & the Flood:

- * Genesis 1,2
- * Exodus 20:11; 31:17
- * Psalms 19, 33, 104,
148:5
- * Job 12:7-9; 40
(Dinosaurs)
- * Matthew 19:4-6 with
Genesis 2:24
- * Mark 10:6
- * Hebrews 11:3
- * II Peter 3:4-6

God brought 2 of every kind of animal to the ark. Do you think God brought dinosaurs too. You might think that they would be too big, but...a young T-Rex was probably about as tall as a giraffe.

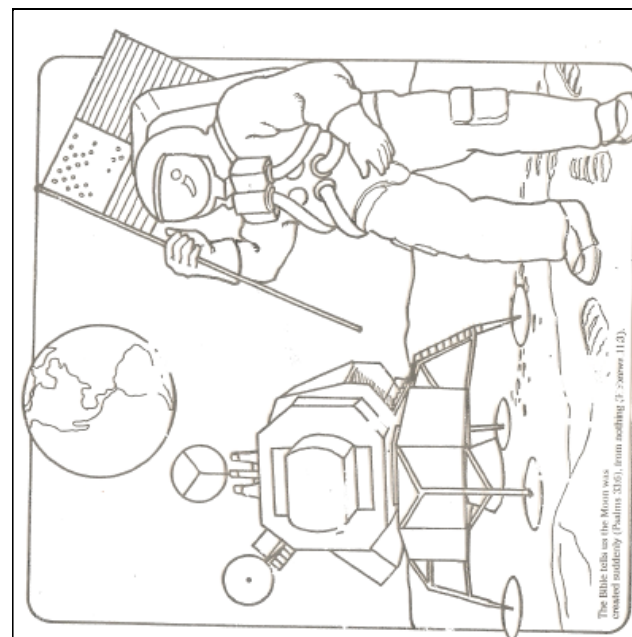

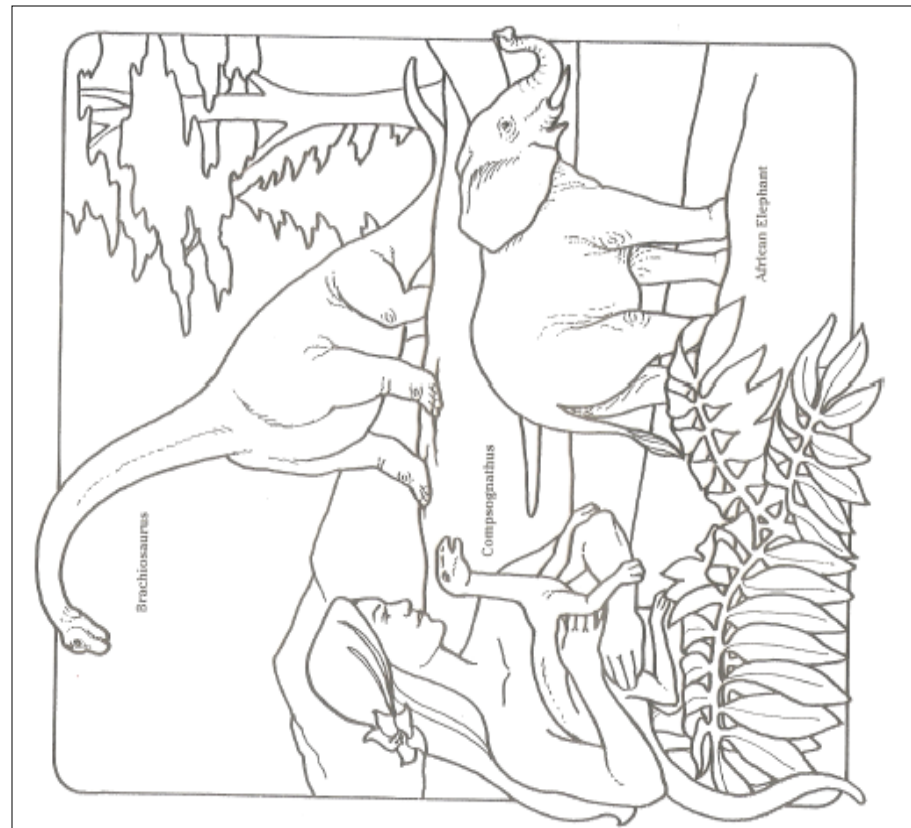

During the flood a lot of animals died...a lot of dinosaurs. Their bodies were smashed under a lot of sand & rock. Over time, like 1,000 years or so, they actually turned into oil or coal. Oil pumped out of the ground today can be turned into gasoline for our cars.

God is so smart. He thinks of everything!

Most of the really big Dinosaurs died off. No one really knows why, but the earth was quite different after the flood. Animals & people began to eat meat. Maybe people ate a lot of them. We can ask God someday.

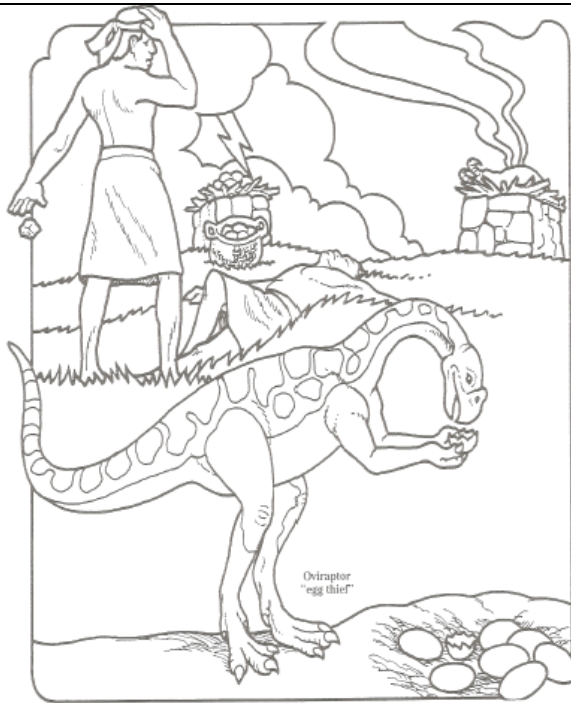

The word 'Dinosaur' actually means big lizard. I think the alligators and lizards we have today are really little dinosaurs.

The important thing to believe is that the Bible is God's true book. The Bible says 2 of every kind of animal was on the ark...I believe Dinosaurs were on the ark with the rest of the animals, cause I believe the Bible completely.

When the 1st man stepped onto the moon, his shoes barely sunk into the moon dust. NASA scientists had planned for wide shoes thinking after billions of years of evolution, surely, there would be deep dust.

Real science continually proves that the earth is quite young...6-8,000 years old...not billions and billions of years.

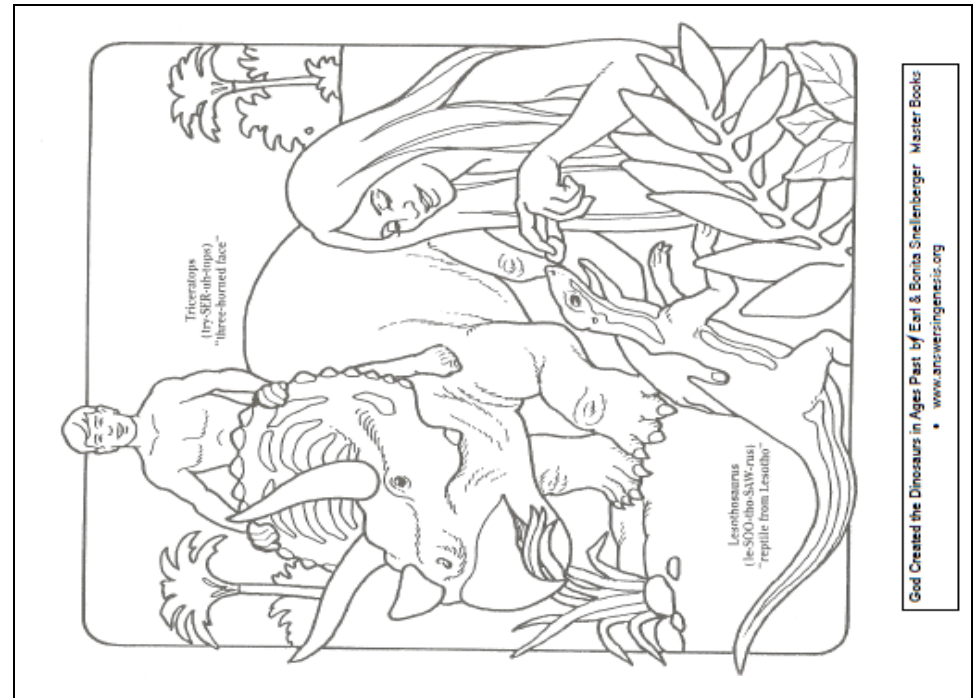

The 1st Murder

Abel offered a **blood sacrifice** which pleased the Lord.

His brother Cain offered plants that he had grown. He was jealous of his brother and killed him.

I believe we will see Abel in Heaven some day.

The blood sacrifice was important to God because it was a picture of His Son Jesus Who gave His blood on the cross to pay for our sin problem..

You and I are born with a sin problem. We want our way, not God's way.

The Bible says,

* "All we like sheep have gone astray; we have turned everyone to his own way."

Isaiah 53:6

* "...for all have sinned and come short of the glory of God." Romans 3:23

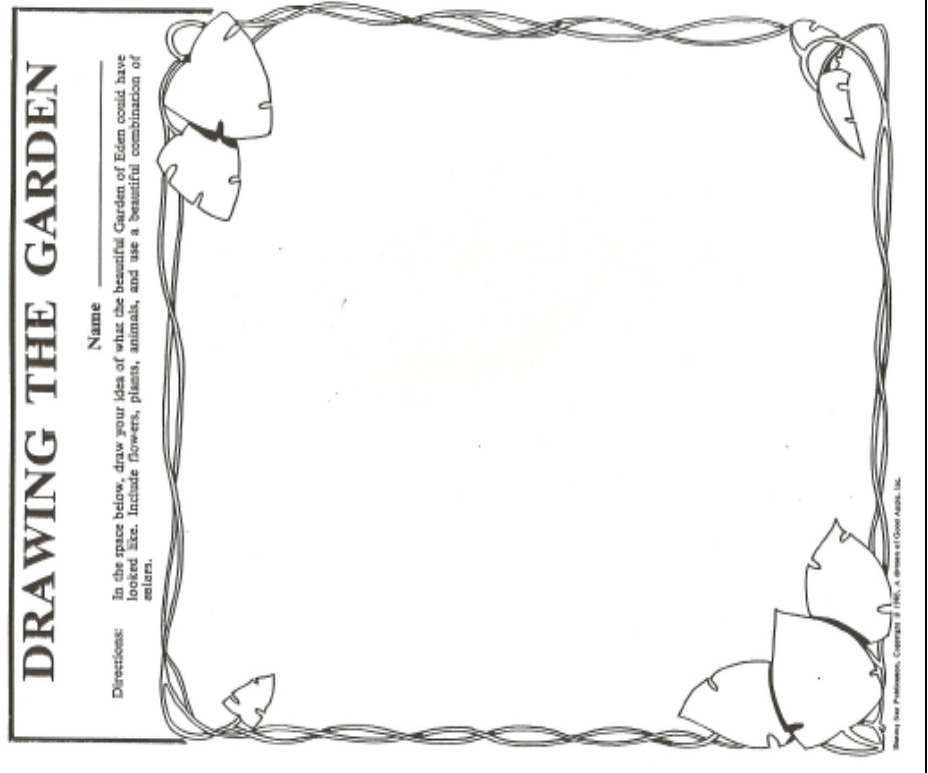

* "...but your iniquities (sins) have made a separation between you and your God..."

Isaiah 59:2

Only the God-Man Savior Jesus can bring us to the Father

Many years passed. Many people now lived on the earth. They chose to do very bad things. God was sorry He had made people. Genesis 5:5ff

“FOR AS IN ADAM ALL DIE, EVEN SO IN CHRIST SHALL ALL BE MADE ALIVE.” (1 Corinthians 15:22)

God killed animals to clothe Adam and Eve to show them that “atonement” (covering) for sin could only be provided by God through the shedding of innocent blood. And God gave Adam and Eve hope for fallen mankind through the promised coming of Jesus, the “...seed of the woman...” (Genesis 3:15). Jesus’ innocent blood was shed as the final sacrifice for sin—that those who turn to Him as Savior might have eternal life. Jesus “bruised the head” of “that old serpent called the Devil”, and set us free from sin’s bondage.

Which Came First?

God told Adam and Eve they could eat any fruit in the garden except for one kind. One day, the devil tempted Eve to eat that fruit.

Genesis 2:16, 17; 3:1-6

Adam also ate the fruit. Then Adam and Eve were ashamed, and tried to hide from God. But no one can hide from God. Genesis 3:6-8

The Saddest Day Ever!

“Therefore just as sin came into the world by 1 man, and death through sin, and so death spread to all men because all sinned.” Romans 5:12

PRAYER OF SORROW

“ Therefore, just as sin came into the world through 1 man (Adam), ...so death spread to all men because all sinned.” Romans 5:12

Sometimes we do not do as we should. Write your own prayer to God telling Him you are sorry for something you have done wrong.
